PROFILE

I am a skilled Atlassian Administrator with degrees in Computer Engineering from the National University "Chernihiv Polytechnic" and competence in spoken and written English.

Owing to the war, I am [with full Home Office permissions] seeking an internship or employment in the UK that will enable me to use and further develop my skills as a Trainee/Intern Software Developer.

LANGUAGES

English - Upper-Intermediate
Ukrainian - Native
Russian - Fluent

AVAILABILITY

Remote : Immediate
Rest of UK: Immediate subject to relocation time (willing to relocate)

Online JS Course

PROFESSIONAL SKILLS

Atlassian Administration
Groovy scripting
SQL, JQL, Git
HTML/CSS, Bootstrap, basics of JS (in progress of studying)

WORK EXPERIENCE

Astound Commerce (Global Digital Agency) | 2019-Present

- Groovy scripting
- JQL queries, filters creation and management
- Creating new issue types, workflows and projects configuration according to requirements
- Creating new custom fields and schemes (screens, workflows, fields, issue security)
- Permissions configuration (using groups, project roles or via issue security scheme)
- Tempo (teams, holiday schemes and timesheets administration), Scriptrunner plugins
- Coaching new team members (successful case - from the Trainee level to Middle)

KEY ACHIEVMENTS

Company "Super Hard Worker 2021" award
Led the improvement of a regular script updating users permissions according to location (oversaw requirements, implementation and user acceptance)
